

MASTER OF SCIENCE APPLIED LANGUAGE & INTERCULTURAL STUDIES - SPANISH

We believe in your ability to make an impact in the world.

The MS-ALIS provides training in the human side of today's global challenges: intercultural communication, sustainability, culture change, and teamwork across national boundaries.

Create the next step in your career.

>> A personalized program of study

>> Professional-level language

>> Intercultural Communication

>> Research and Internships abroad

Gain the language skills to work in a Spanish-speaking business. Get competitive for leadership roles in fields like business, medicine, engineering, non-profit, and communication.

Take time to figure out how you can make an impact.

Learn about opportunities to be a teaching assistant or study abroad.

Flexible program options to study part-time or full-time.

The MS-ALIS (pending SACSCOC approval) is scheduled to launch in the 2019-2020 academic year. Applications will open in Fall 2018.
